Sponsorship Opportunities

The Grey Bruce Farmers' Week Committee is proud of the quality and effectiveness of our event, and are pleased to partner with leading organizations and companies. We would like to thank past sponsors for the excellent support they have provided over the years. Their financial support makes this conference possible, and their presence as exhibitors provide an invaluable contribution towards making GBFW a leading source of agricultural information.

Thank you for your interest in joining us as a conference sponsor for 2024. We are so excited to be preparing for an in-person conference with live streaming options. This is a perfect opportunity for companies looking to increase their promotion, visibility and access to producers and other agri-business. The conference speakers are being confirmed and we envision the best program assembled to date. Your company can help us deliver this event.

Companies are invited to purchase from a convenient tiered sponsorship structure. We offer five sponsorship levels to choose from, each with a select range of benefits. The cost of these sponsorships are flexible, so there is an opportunity to fit any budget. These levels are described in detail on page three of this package. Our sponsorship tiers are a starting point for discussion, and we look forward to customizing them to meet your needs.

Since the conference will be live streamed all seven days, it will raise our conference profile across Ontario and enhance our producer education mandate. As sponsors, it will also allow you to advertise to potential clients across Ontario. The videos (with speaker sponsor's logos), will also be available for viewing for 30 days following the event.

We have limited sponsorship opportunities available, and they are on a first come first serve basis, so please act quickly! The application form is on page four. Our sponsorship deadline is **September 15th**. Please note that the sponsor for any given item at the preceding GBFW conference will be given the first right of refusal to sponsor the same item in the following years' sponsorship package.

The Grey Bruce Farmers' Week Committee, **with strong support from producers, our sponsors, and agribusiness**, has been giving back to the community. In 2009 we established an annual \$1000 *Grey Bruce Farmers' Week Prize* in conjunction with the University of Guelph Ontario Veterinary College (OVC), to recognize new veterinarians entering food animal practices in Grey and Bruce Counties. This award recognizes the individual's past accomplishments, but also encourages their future contributions, and commitment to our rural communities. Also in 2009, following two very successful Dr. Temple Grandin events, we presented Autism Grey Bruce and Partners In Process Equine Learning Centre with a total of \$2,380.00. Dr. Grandin returned to us on Oct. 30th 2017. Once again we contributed \$1000 to Autism Grey Bruce. In 2011, the GBFW Committee, on behalf of producers and agri-business, committed to sponsoring the mural in the barn of the Saugeen Safety Village. This was a \$10,000 donation over a few years. We look forward to future opportunities to donate funds to worthy causes.
